The environmental impacts of the proposed action to the subject land area are covered by the Honolulu International Airport Master Plan Update and Noise Compatibility Program Environmental Assessment (EA), State Project No. AO1011-03. The EA is a joint State and Federal document, dated September 1989 and published in the October 23, 1989 issue of the OEQC Bulletin. Accordingly, relevant mitigation from the EA and Department of Transportation environmental best management practice will address minimal impacts from this action.
